

Curriculum Vitae

Personal information

First name / Family name **Norbert Flórián**
Address Hungary, H-1022, Budapest, Herman Ottó Street 15.
Phone at work +36/ 30-234-3611
Personal mobile +36/ 30-435-5528
E-mail florian.norbert@atk.hu,
Nationality Hungarian
Date and place of birth 07. 01. 1985, Esztergom
Gender male

Education

- 2019 **PhD**
Szent István University,
PhD School of Landscape Architecture and Landscape Ecology
Hungary
- 2017 **Biology teacher, MSc degree**
University of Debrecen
Faculty of Science
Hungary
- 2009 **Biologist, MSc degree**
Biology (Evolution, Ecology and Systematics)
Eötvös Loránd University
Faculty of Science
Hungary

Current position

- 2020- **senior research fellow**
Department of Soil Biology and Biochemistry
Institute for Soil Sciences and Agricultural Chemistry,
Centre of Agricultural Research
Hungary

Previous positions

- 2019-2020 **research fellow**
Department of Soil Biology and Biochemistry
Institute for Soil Sciences and Agricultural Chemistry,
Centre of Agricultural Research, Hungarian Academy of Sciences
Hungary
- 2014-2019 **assistant research fellow**
Department of Soil Biology and Biochemistry
Institute for Soil Sciences and Agricultural Chemistry,
Centre of Agricultural Research, Hungarian Academy of Sciences
Hungary
- 2010 **preparator / museologist**
Myriapoda Collection, Department of Zoology,
Hungarian Natural History Museum
- 2009 **preparator/museologist**
Soil Zoology Collection, Department of Zoology,
Hungarian Natural History Museum

Student scholarships and grants

- 2014 **Nature conservation grant**
Leonardo da Vinci Training,
Nature Train (England)
- 2013 **Erasmus practice**
Estación Biológica de Doñana (Spain)
- 2012 **Erasmus**
University of Helsinki (Finland)

Languages

- | | |
|-----------|------------------------|
| Hungarian | native (mother tongue) |
| English | professional |
| German | intermediate |
| Spanish | elementary |

Teaching activities

- 2010-2011 **Applied informatics**
for BSc students at Szent István University

International conferences

- 2019 **Building Bridges - Micro-, Meso- and Makrofauna processes across systems**
Göttingen, Germany

- 2016 **XVII International Colloquium on Soil Zoology and XIV International Colloquium on Apterygota**
Nara, Japan
- 2012 **3rd European Congress of Conservation Biology**
Glasgow, United Kingdom

International courses

- 2018 **Linking Soil Biodiversity with Soil Organic Matter Dynamics**
COST Action “KEYSOM” - 2nd Training School
Zürich, Switzerland
- 2017 **The Use of Trait-Based Approaches in Community Ecology and Stress Ecology**
Coimbra, Portugal
- 2016 **Data Exploration, Regression, GLM & GAM with introduction to R**
Lisbon, Portugal
